WNTC and WTSC are still looking for DJ's. If you missed the interest meeting, don't worry. There are still time slots open. WNTC plays mainly classic rock, Top 40, and steals all the cool alternative stuff from WTSC once it becomes popular. WTSC plays everything else from classical and jazz to rap, urban and ethnic music from any country in the world. If you would like to become a DJ for WNTC, call Greg, x-7814. If you would like to work for WTSC, call Bert, x-3704.
